Dear Ms. Sandro:

This letter is in response to your letter concerning Powell Road Landfill. We hauled trash from your location in Tipp City to Miami County Incinerator. We never used Powell Road for that location.

I believe our sister company, Industrial Waste Disposal, hauled trash for your other location on Huberville Road.

If you have any questions, please call.

Sincerely,

Linda Keller

Dear Ms. Sandro;

In answer to your recent inquiry, I can supply the following information. Your facility located in Tipp City was hauled by our sister company, Koogler-Suburban, prior to September 1984. I have enclosed copies of purchase orders, change orders etc. which verify this fact. With regard to your 5300 Huberville location, our files do not contain any information on this location. Our Operations Mgr, Bill Fournier, recalls IWD servicing this location in the late 70's or early 80's. IWD was at that time owned by the Danis Corporation and we have no records dating back to that time.

Sincerely,

Robert Kania
